SPONSORSHIP OPPORTUNITIES

ANNUAL EVENT PARTNERS 2023

Following a highly successful series of events in 2022, the Single Ply Roofing Association (SPRA) is delighted to announce that the SPRA Awards Luncheon, SPRA Golf Event and SPRA Autumn Series of webinars will return for 2023.

The SPRA Awards Luncheon will return to Hilton Leeds City, Leeds on Thursday 15 June. Last year, over 180 members and their guests gathered to enjoy a drinks reception; feast upon a three-course luncheon; celebrate excellence in single ply roofing; and network with their peers – the largest event in SPRA history! This year's event will be just as special and will feature three new award categories (see SPRA Awards overleaf).

The SPRA Golf Event will return to Carden Park, Cheshire on Wednesday 13 September. Last year, 120 golfers took to the Championship Cheshire course and over 160 diners feasted upon a three-course evening meal. Additionally, the event featured a trick-shot show by Jeremy Dale; drinks reception; awards presentation; and evening entertainment. This year, there will be 18 holes of golf on the Championship Nicklaus course, followed by on-course and evening entertainment; drinks reception; awards presentation; and three-course evening meal – something for everybody, golfers and non-golfers alike.

Details of the SPRA Autumn Series of webinars will be announced towards the end of the year. Previous webinars include—

- Technical panel discussion with Nigel Blacklock, Chair of the SPRA Technical Committee; Peter Caplehorn, Chief Executive Officer at the Construction Products Association (CPA); and Bill Hewlett, Technical Director at the British Board of Agrément
- Introduction to the Code for Construction Product Information (CCPI) delivered by Matthew Sexton, Vice Chair of the SPRA Technical Committee
- Sustainability Starters, an introduction to current sustainability issues from the SPRA Sustainability Group
- Building Mental Health, an online mental health first aider course supported by Mental Health England

- Workshop for SPRA Contractor members, focussed on fire safety in single ply roofing and training available from SPRA
- Developing Industry Competence, a workshop delivered in conjunction with the CPA, centred around the white paper published by Working Group 12 of the Industry Response Group

There are ten Annual Event Partner sponsorship packages available for the year 2023, which will cover the SPRA Awards Luncheon, SPRA Golf Event and any online events, such as the SPRA Autumn Series of webinars. Please note that online events delivered in partnership with another organisation will not be covered by an Annual Event Partner sponsorship package.

Event Partners will be acknowledged whenever and wherever the events are publicised, particularly on social media, and will benefit from 10% discount on all additional sponsorship packages purchased (detailed overleaf). Other benefits include—

- Your social media account tagged and your company logo published when publicising the events
- Your company logo displayed on digital presentation slides during the events
- Your company logo printed on the Event Partners' sponsorship boards and dining menus
- Acknowledgement on stage throughout the events and in printed media post-events
- One pull-up banner at each event (maximum one metre wide)
